Dear Williston School District 29 Family:

Safety and security are paramount. Williston School District 29 will continue to implement the safety measures established during school year 2018-2019. These safety measures will take place at all varsity sporting events. Gates will open at 6:30 pm for home games.

- There will be increased officer presence.
- The district will implement hand held metal detectors to screen spectators. Everyone will be subject to a search.
- Bookbags or other large bags will not be allowed.
- Bags are subject to searches in line with state statute permitting "reasonable search" of any person entering school premises.
- Admission will be charged throughout the duration of games. No patrons will be allowed to exit and re-enter without paying to re-enter.
- All students 8th grade or younger will now be required to attend games with parents or guardians and supervised at all time.

As always, patrons are asked to observe the expectations of sportsmanship and show respect to each other.

Feel free to contact me at 803-266-7878 should you have any comments, questions, or concerns.

Committed to Excellence,

Marcella D. Shaw, Ed.D.
Superintendent
