

Kelly Edwards
Elementary School

PINK FRIDAY!

October is National Breast Cancer Awareness Month. Breast cancer now affects 1 in 8 women globally and is the second most common type of cancer in women. Students and staff of Kelly Edwards Elementary School will honor those at every step of the journey on **Pink Friday, October 11, 2019, 9 am**, by wearing pink and participating in a school-wide awareness program and walk. The homeroom, individual student, and individual staff member showing the most spirit for the walk (by creating banners and wearing pink outfits) will win a special prize. Early detection, education, and support are the goals of this important campaign. Survivors and those currently battling breast cancer are cordially invited to join in **Pink Friday!**

Wear your Pink!

Walk with Pride!

For Further Information Contact: Mr. Horace Lamback, Jr. 803-266-8081

Free Breast Exam and Mammogram Services are Available from SC DHEC by calling the Division of Cancer Prevention Hotline (Best Chance Network) at 1-800-450-4611.
