# 2018

# REPORT CARD

## CELEBRATIONS

- ◆ 3rd grade ELA showed a 12.4% increase in academic achievement on the SC Ready assessment.
- ◆ 4th grade math achievement raised 3.5% on the SC Ready assessment.
- ◆ SC PASS data indicated that 5th grade social studies achievement was boosted by 15.8% .

## AREAS OF GROWTH

- ◆ Raise overall achievement in 4th and 5th grade ELA with an emphasis on comprehending literary text.
- ◆ Increase number of students scoring meets/exceeds in 5th grade math by ensuring a laser-like focus on number sense and measurement instruction and mastery of content.
- ◆ Boost the growth indicator rating for students in the meets and approaching categories.

## ACTION STEPS FOR IMPROVEMENT

- ◆ Provide support and feedback in the monitoring of small group instruction in all ELA and math classes, to ensure effective differentiated instructional strategies are being utilized.
- ◆ Provide math intervention for targeted students to increase number sense and measurement achievement.
- ◆ Implement, with fidelity, K-5 Write Reflections Curriculum with a focus on citing text evidence within student writing, and monitoring teacher instruction through observations and coaching.
